

The **Adams County Chapter of Trout Unlimited (ACTU)** is a non-profit organization guided by three tenets - Fishing, Conservation, and Community.

ACTU has demonstrated a decades-long commitment to sound environmental principles and standards, with a focus on bringing together diverse interests to care for and recover the county's waterways and on actively supporting and promoting youth conservation, recreation, education, and outreach activities.

The organization has worked tirelessly since its inception towards meeting these objectives, as well as others that benefit not only the environment in Adams County but also its residents and visitors.

Fishing for Everyone

Fishing in Adams County, Pennsylvania, offers anglers a serene and picturesque escape into nature. Nestled amid rolling hills and lush landscapes, the county boasts a variety of pristine trout streams and scenic lakes, making it a haven for fishing enthusiasts.

The county is home to multiple well-stocked trout streams, where the thrill of catching a trophy-sized trout awaits. These streams have abundant trout populations and are popular spots for both fly fishing and bait fishing. Each year, an impressive 32,000 trout are stocked in the county's streams and waterways.

The ponds and reservoirs offer a diverse array of fishing experiences for many types of fish.

Whether you're casting a line in a picturesque stream or casting from the shores of a serene lake, Adams County's diverse fishing opportunities promise a memorable and rewarding experience. The combination of abundant trout stockings and bass populations makes this region an opportunity for any fishing enthusiast.
